
Nimeth Hansana Liyanage

- My Name is Nimeth Hansana Liyanage and im 20 years old. I joined the ICBT CAMPUS with the desire to pursuer software engineering after the ordinary level examination. There I had to follow several steps to do the software engineering and computing degree. I had to do a foundation diploma program in IT first. It made me eligible to do the higher diploma in Software engineering and computing (HD). after the end of the higher national diploma, I got eligible to do a degree in software engineering and computing (BSc (Hons) Software Engineering and Computing offered by the Cardiff Metropolitan University). And I'm currently following the degree program.
- A Student who is fully engaged with good leadership skills and a student who has the ability to do a given task successfully. Im very passionate about my choices and I enjoy keep myself as busy for productive work. and im interested in finding new things such as education materials relates to the subject area im doing and things increase my knowledge. I enjoy my free time by consoling and listening to music.
